OUR PRINCIPALS AND THEIR PRODUCTS

CAPACITORS	Surge Components www.surgecomponents.com NEC/TOKIN www.nec-tokin.com	Capacitors: Electrolytic capacitors manufactured by Lelon, Film capacitors. Discrete semiconductors: Diodes, Rectifiers and Transistors. Supercapacitors, Tantalum capacitors.
CONNECTORS	CONEC www.conec.com	Manufacturers of high quality connectors including D-Sub filter (9-50); high density, combo D's (RF and Power); waterproof; filtered combo D's; IDC for flat cable; DIN 41612; mini-combo; IC sockets; PGA, PLCC, tooling available.
CRYSTALS	Raltron www.raltron.com	Quartz filter, crystal, oscillator, clock, VCXO, TCXO, OCXO.
FANS	COOLTRON www.cooltron.com	AC and DC fans, AC and DC blowers, Fan accessories
INDUCTORS	NEC/TOKIN www.nec-tokin.com	Power Inductors. Other products by NEC TOKIN include, reed switches, EMI solutions, lithium rechargeable batteries.
MAGNETICS	Premier Magnetics www.premiermag.com	Magnetics communications, networking, power applications. Databus Interface Transformers, COTS.
MEMORY PRODUCTS	Datakey Electronics www.datakeyelectronics.com	Portable memory devices for data logging, access control, personal ID, calibration, process control, removable data storage, and cashless vending.
RESISTORS	Tyee Products Inc. www.tyeeusa.com	Resistors, thick film, thin film, resistor array, high voltage resistors, current sensing resistors, ESD suppressors.
SENSORS	Measurement Specialities www.meas-spec.com	Temperature sensors, Pressure sensors, Humidity sensors, Position sensors, Vibration sensors, Piezo Film sensors.
SOUND DEVICES	Challenge Electronics www.challengeelectronics.com	Speakers, buzzers, microphones, and battery accessories.
